

Case Vacanze  
Uliveto

a short guide to visit Gargano

The “Short Guide to visit Gargano” is a useful resource supplied by “Case Vacanze Uliveto” for those who want to spend a pleasant holiday in Mattinata, in the very centre of Gargano. This guide contains a series of telephone numbers that can make your staying more comfortable.

In this guide, you will find the telephone numbers of local restaurants, where you can taste all the typical cooking specialities of this region. As well, you will find all the informations about bakeries and pastry shops that offer pastries and delicacies; about cafés where you can taste excellent cocktails and relax.

For Cycling lovers, this guide supplies, as well, informations about Hiking on bike both in the forest and along the sea coast, with a breathtaking view on the white cliffs.

In addition, we suggest a Mountain Bike Rent Service for those who don't have their own bike.

# places to visit

**Monte Sant'Angelo**

The region of Puglia offers a large variety of day trip and itineraries that will let you discover fascinating and authentic places. Here are some of the destinations and attractions to visit:

**Monte Sant' Angelo:** This charming town is well known for The Sanctuary of St Michael The Archangel, a very important place of Pilgrimage. You will explore the medieval streets, visit the Castle and enjoy a breathtaking panoramic view.

**Santa Maria di Siponto:** Set near the city of Manfredonia, this little ancient village offers significant archeological ruins, among which The Paleochrs-tian Cathedral and the fascinating work by Edoardo Tresoldi.

**Foresta Umbra:** This national park located in the very heart of Gargano is a natural oasis. You will experience hiking by foot or bike amidst woods of secular Beech Trees; find out water sources and enjoy the wild and unpolluted beauty of Nature.

**Vieste:** This gorgeous seaside town is known for its beaches, the sea caves and its suggestive city-centre. Don't miss an unbelievable boat trip along the coast to find out the enchanting sea caves.

**Peschici:** A picturesque beachside town with an amazing beach and a charming city-centre. You can take a walk among its cobbled streets, visit the Castle and enjoy a panoramic view from the terrace.

**Trani:** This seaside town fascinates for its historic port, the Cathedral of San Nicola Pellegrino and the Svevian Castle. You can walk along the beautiful port, taste delicious sea dishes in local restaurants and admire the suggestive architecture of the town.

# ilmiolio

OLIO EXTRAVERGINE D'OLIVA

A cold-pressed Extra virgin Olive Oil, in order to maintain its nutritional properties and authentic taste. In addition, they offer a selection of marinated vegetables, made with care and dedication. What makes the products from “Il Mio Olio” more unique is the fact that they are all biological and they come from the Gargano area.
